### Sentry Service Plan Program

This plan provides for a complete preventive maintenance inspection, program as outlined in the Manufacturer's Owner/Installation Manual(s) and guaranteed 24 hour on site service response seven days a week for the device(s) indicated on page 3.

Within thirty (30) business days of the execution of this agreement and its delivery to Mid-Atlantic Entry Systems, an initial inspection of the operators listed at the end of this agreement will be performed.
